Notes for Pupils

1. Please check this timetable carefully and alert Mrs Wright (Rm 63) if you have a clash by the end of today.
2. Note the start time and venue of your exams and ensure that you arrive at the venue 10 minutes before the exam is due to start.
3. You should have been informed of any additional arrangements in place for you – check that these have been indicated on the timetable – if there appears to be any errors please see your teacher immediately. Also note where your exam is taking place – it may differ from the main venue.
4. Finally, you should be in your normal lessons when not in an exam however there will be occasions where pupils not taking exams will be directed to specific rooms so you must ensure that during the Prelim period you check the notice board outside the theatre for room changes every day.
